We're All Just People

The speech that I feel is most important to improving our world, **WE'RE ALL JUST PEOPLE!** is a focus on looking at the world from a global perspective. This speech emphasizes that we are all different, unique individuals, but that **we are all human beings before everything else!**

- Entertaining and informative look at the way the world is and should be
- Works well in schools dealing with problems involving racism, sexism, homophobia, etc.
- Excellent for schools that may have limited exposure to particular diversity issues
- Ideal for elementary and high school assemblies
- Perfect for churches, synagogues and other places of worship
- Excellent topic for leadership conferences
