The MAJOR Fundamentals of Leadership Groups

After years of consulting over 200 leadership organizations on ideas such as event planning and marketing, I have developed **The MAJOR Fundamentals of Leadership Groups** in order to go back to the basics in laying the foundation for your leadership group. Even the most experienced organizations will learn from this **interactive PowerPoint presentation** that investigates your purpose; your mission; your rules and your members as well as how to plan and schedule your year.

- Interactive, multimedia discussion looking at the specifics of YOUR organization
- Excellent for new organizations as well as groups that have been spinning their wheels with the same ideas year after year
- Ideal for elementary, middle and high school leadership groups
- Perfect for student councils; class councils; ASB; SADD; NHS; FCCLA; FBLA; residence councils and more
- Excellent workshop for delegates of leadership conferences

Inquire today about bringing this workshop into your school, camp, conference or any other event by accessing my online booking form on my website:
