Mission Possible!

MISSION POSSIBLE grew out of an Ontario Public Health initiative that promotes healthy choices and understanding the tobacco industry and how it sells to youth. This speech focuses on pre-emptive action to prevent the addiction from spreading. As my motto goes, “it may seem like an impossible mission, but the **Mission IS Possible!**”

Interactive segments emphasize how important it is for the students to **PUSH** and **DRIVE** themselves to overcome the efforts of outside negative sources. Particularly, I focus on the role of the media, additives to the product and how one comes to be addicted in the first place.
