To Whom It May Concern:

It is with great pleasure that I make recommendation in strong support of Mr. David Major as a motivational speaker. David is energetic, memorable, and a true motivator.

David was our first motivational speaker at the NY-West Hugh O'Brian Youth (HOBY) Leadership Seminar in June 2002. The participants (known as Ambassadors at HOBY) were very interested in what David had to say. Our Ambassadors and our staff LOVED the time he spent with us! David was very comfortable in front of the group of over 80 high school sophomores and 40 plus staff members. His level of energy was amazing, and the ambassadors were very interested in what he had to say. He was referenced in just about every session after he spoke! For the rest of the weekend, I heard the words "Motivate Yourself" used over and over. His message really stuck with people.

David is truly a motivator in every sense of the word. He is not afraid to be himself, thus showing that he is truly practicing what he is preaching. David has been given a gift, and he is so willing to share that gift with youth and adults alike. If I can be of any further assistance, please don't hesitate to contact me at 570-321-4326 (work) or 570-321-4959 (home).

Sincerely,
