DAVID  
Dear Mr. Major,

On behalf of the Robert F. Hall community I would like to thank you for your engaging and provocative discussion with both our senior peer mentorship troupe as well as our 500 incoming grade 9's on August 29<sup>th</sup> and 30<sup>th</sup>, 2007.

You sincerely motivated and encouraged our young people to take charge of their lives at a time when social challenges will pull them in many directions. Your reaffirmation to persevere through times of disappointment, and revel in those times of success was very poignant and thought provoking for all in the audience.

Our seniors truly enjoyed your training workshop and the opportunity to learn positive skills from you and your experiences with youth. As well, our 9's were humbled by your ability to laugh at yourself and yet still internalize such a powerful and optimistic message.

We wish you all the best of luck in making your mark in motivational speaking and hope to connect with you again in the future.

Sincerely,

Terri-Lynn Brennan on behalf of the
