Speak Up And Be Heard!

The ability to **Speak Up and Be Heard** and respected is a skill rarely taught in the classroom but often desperately sought by students. Using my skills obtained both on stage as a public speaker and during my time in politics working for a Canadian Federal Member of Parliament, I will teach your students how to **SPEAK UP AND BE HEARD!**

In this workshop, I will train youth on how to speak effectively not only on stage but in every day situations on all subjects they are faced with. Subjects covered will include tone of voice, body language and quick recovery from tough situations. During the workshop, **each student will participate in improvisation activities and practice** their skills in front of their peers.

This workshop is ideal for any of the following areas:

- Elementary, Middle and High Schools
- University/College Orientation Week and residence events
- Leadership and Student Council Conferences
- Camps
- Sororities/Fraternities
